Today and Tomorrow

TWO OPPORTUNITY DAYS REMAIN OF THE GREAT EXTRA VOTE OFFER

The Candidates Who Mean to Be the Big Prize Winners Are Going to Make Use of Every Remaining Hour—Until Thursday at 10 p. m.—Before the Great Vote Reduction Takes Place—Especially, to Secure Every Available Long-Term Subscription and Extension.

THE MAGNIFICENT LIST OF PRIZES TO BE GIVEN AWAY IN JUST 19 DAYS!

1st—$915 Dodge Brothers' Motor Car, fully equipped, including one extra tire.
2nd—$350 Exposition Style Monarch Piano.
3rd—$150 Perfect 8 tone Diamond Ring.
4th—$110 Edison Diamond Disc Phonograph.
5th—$100 Furniture Order.
6th—$75 Full Course Business Scholarship.
7th—$50 Bank Account in Richmond Savings Bank.
8th—$40 Gold Watch (Lady or Gentleman's Design).
9th—$25 Eastman Folding Kodak.
10th—$25 Eastman Folding Kodak.

A FEW FACTS REGARDING THE GREAT EXTRA VOTE OFFER:

1—That it remains in effect only two more days.
2—That Thursday, May 6th, is the last day.
3—That this Offer Closes promptly at 10 o'clock on that day.
4—That Subscriptions and Extensions will be worth thousands and thousands of votes less after that time.
5—That by far the Greatest Vote Reduction will take place on LONG TERM SUBSCRIPTIONS.
6—That the Extra Votes secured on this offer can be voted at any time during the Contest.

In just NINETEEN DAYS and the entire above list of Magnificent Prizes will be given away to the popular Candidates in the Daily News Voting Campaign. The Final Count will then be made by the Judges of the Contest; and entire Richmond and Contra Costa County will know who will be the owner of the Wonderful Dodge Five-Passenger Touring Car—the Beautiful $350.00 Exposition Style Monarch Piano—the $150.00 Diamond Ring—and the Seven other valuable awards. Just think—ONLY NINETEEN DAYS remain of the entire campaign. But by far the most important fact to bear in mind is the importance of the next TWO of these remaining days—TODAY and TOMORROW—the only two days left of the GREAT EXTRA VOTE OFFER.

Do not make the mistake of thinking that there will be any higher vote offers. That would be fatal. Just the opposite will take place. Both Vote Schedules will be cut by thousands and thousands of votes as soon as the Great Extra Vote Offer expires at 10 o'clock sharp tomorrow night. At no other time during the remainder of the Contest will subscriptions and extensions count for anywhere near as many votes. And, especially is this the case in Long Term Subscriptions. The Greatest Reduction will, of course, take place on these. It is, therefore, the Daily News' most earnest advice to every one of its popular candidates to secure and turn in every one promised of these long-term orders by tomorrow night, before the Great EXTRA VOTE OFFER expires. That is the best way to insure Leadership, Supremacy and Dodge Victory on May 24th.

LOCAL WOMAN BITTEN BY MAD DOG IS IN SERIOUS CONDITION

When she attempted to drive a rabid dog crom her back yard on Monday afternoon, Mrs. I. N. Jarvis, a resident fo 544 Twentieth street, was badly bitten in the right hand. Dr. H. L. Carpenter, who was called, has declared that Mrs. Jarvis' condition is serious. It will be necessary for her to undergo the Pasteur treatment at the state lbortory in Berkeley.

Immediately following the biting, the injured woman's husband shot and killed the maddened beast. Who its owner was has not been determined. The dog's remains were removed to the city pound, where the heaad was cut off. An examination of the head at the state laboratory in Berkeley revealed that the canine was in the last stages of rabies prior to its death.

Poundmaster Smith said yesterday that rabies among Richmond dogs is not uncommon. Two cases have been brought to his attention within the last week. Smith is instituting a campaign against the disease in which he asks the co-operation of every man, woman and child in Richmond who owns a dog. He says that every dog must be muzzled. Any dog found unmuzzled will be taken to the pound. Dogs found with muzzles, but not with city license tags, will also be taken to the pound.

BOARD WILL LOOK OVER COUNTY HOSPITAL

Next Monday the Board of Supervisors will meet in special session for the purpose of looking over the new $32,000 addition to the county hospital and after satistying their minds that everything is in first class shape will accept the same.

The electric fixtures have all been installed and Superintendent W. H. Hough asserts that there is absolutely nothing else to be desired. The building cannot be put in use until accepted and therefore the present hospital is well crowded. Hough states that his accommodations will be double by the new acquisition.

J. C. Pattison, railroad man of Pittsburgh, Pa., and Mrs. H. L. Reno of Mercer, Pa., brother and sister of Mrs. J. T. Smith of 33 Nevada avenue, arrived in Richmond last night for a two weeks' visit with Mrs. Smith. The Easterners plan to spend several days at the Exposition.

TO WHAT TONG DO YOU BELONG?

Definition of "Highbinder"

READ THE MEANING OF THE INSULT

Mayor Garrard called 800 citizens, signers of the City Hall petition, "HIGHBINDERS."

Do you know what a highbinder is?

Consult the New International Encyclopedia. It will tell you that among other things a highbinder is a parasite upon prostitutes, that is, a person who lives on the earnings of a fallen woman.

A highbinder is a disorderly, dangerous, irresponsible and lawless Chinaman. One that has no definite occupation, living by keeping evil resorts, gambling, robbery and blackmail.

That is what "highbinder" means.

His honor, the mayor, stung by the exposure of the attempted raid on the city treasury to help Mr. George S. Wall, and frantically endeavoring to shield Hartnett in the council proceedings on the City Hall, hurled that insult at 800 signers of the petition.

Garrard and the Ring to which he belongs is boosting for Hartnett, Arnold and Gerlach.

Their platform is, "The people are highbinders, especially so when they dare to fight the Wall City Hall site."

MORE MONEY FOR BATTLE FUND

$134.50 Now Total of People's Campaign Contributions. Help Today.

The People's Campaign Committee is making its fight on a "shoestring."

But that shoestring represents more voting power than the huge sack of the opposition. It represents the sacrifices made by the working people of Richmond.

It is the kind of fund that wins victories. Yesterday only a small sum was contributed. But the fund now totals $134.50. We are still a long way from the $250, but today's receipts may greatly increase the amount.

Do your part today to defeat the Ring.

Yesterday's contributions:

Butchers' Union, $8.50; F. L., 50 cents; H. H. G., 50 cents; J. E. P., 50 cents; A., 50 cents; A., 50 cents; U., 50 cents; Y. F., 5 0cents.

FOOT PRINTS IN CEMENT---JURY NOT CONVINCED

After nearly an hour of deliberation, and after taking three ballots, the jury in the case of Mike Marco, arrested on Sunday by Officer Roy Kraemer on a charge preferred by Contractor L. L. Page, who charged him with maliciously walking on a newly laid sidewalk, was unable to reach a verdict. The jury of twelve men was hopelessly split, standing seven for conviction and five for acquittal. Three ballots and much arguing failed to change a single vote, and the best Police Judge Lindsay could do was to discharge the jurors after thanking them for serving.

Marco will have his second trial on the same charge of malicious mischief before Lindsay at 10 o'clock this morning. Both prosecution and defense have subpoenaed a number of witnesses that were not present at yesterday's proceedings.

The case was opened at 10 o'clock. In order to try to prove the contention of Page that a newly laid sidewalk on Castro avenue had been walked on by Marco, the jury was shown the sidewalk.

Page on the stand testified that Marko and Geirge Obrigin, who will be tried on the same charge as Marco, were ordered by him to keep off the walk. He claims they refused to keep off and maliciously walked on the fresh cement again. Marco on the stand positively denied that he had walked on the cement.

Attorney Robinson, representing the defendant, in his argument, pointed out to the court that the mere walking on the sidewalk did not constitute malicious mischief as charged.

Deputy District Attorney Wilbur S. Pierce appeared for the state and Attorneys Robinson and Grady represented the defendant.

The jury was composed of Ward McRacken, A. L. Allen, L. L. Farrel, J. P. Stiefvater, O. O. Watson, G. W. set.

ANOTHER LEADING CANDIDATE IN RACE

Miss Campbell was born in Merced, but has resided in Richmond for nine years, recently graduating from the Polytechnic Business College. She is an accomplished musician, both vocal and instrumental. That she will be a big prize winner in the Daily News Contest, every one concedes, and her chance of winning the magnificent Dodge also look very bright.

THIRTY ARRESTS DURING MONTH OF APRIL.

To judge from the report of Chief oof Police Walker for the month of April, things were unusually quiet in police circles last month. There was a total of 39 arrests, which is far below the usual number.

Seventeen complaints were received, and seventeen complaints investigated. Fifteen were convicted, and 16 released. Two of the men arrested were turned over to other departments, two cases are still pending in the police court, and four are pending in the Superior Court. Twenty dollars only was taken in in fines during the month. One prisoner jumped his $10 bond.

During the montht the police station quartered 43 night sleepers.

El Cerrito Camp, 11822, Modern Woodmen of America, made plans to recapture the banner lost to the Greater Oakland Modern Woodmen two years ago, at the regular session held last night. Chief Forecaster H. W. McCausland, A. D. Hislop and F. M. Van Ness were appointed a committee to perfect plans for the holding of a competitive drill with the Oaklanders in the near future. If the Greater Oaklandites beat the local drill team again, they will be able to retain permanent possession of the banner, which was put up by Good Fellowship Camp of San Francisco.

At last night's session the Forester team presented the lodge with the cup won from the Moose Defender drill team in San Rafael Sunday. A. A. Winfree made an address of thanks to the team in behalf of the lodge.

ARNOLD IN 1914 AND IN 1915-WHAT HAS HAPPENED TO ALL THOSE PROMISES?

Jimmy Arnold, whose record as police chief is the skeleton in the opposition's closet, can turn a neat somersault.

When he resigned from the police force to run for sheriff against Veale, he asked for the support of Organized abor. That was before the forced resignation of Sergeant Ruiz, the taking of testimony by the police committee of the council.

He made many promises to organized labor. He visited the various unions and the councils. He was for labor from start to finish, was James Arnold.

He told the Building Trades Council that even were he defeated he would still be for organized labor, forever and ever, etc.

One year later finds him out working his hardest to smash organized labor.

And working for him is Ruiz, Sergeant Ruiz.

Chinese Merchants to Inspect City Today

Nearly twenty machines have been secured in which to show the Chinese merchants from various commercial centers of China around Richmond on their visit here today. W. H. Werman, secretary of the Industrial Commission, who was chosen a committee of one to procure the machines, found no difficulty in lining up many local people willing to loan their machines during the afternoon.

These Chinese merchants will arrive at Winehaven from San Francisco at noon. There they will be lunched by the winery officials, and shown through the big plant. The majority of the councilmen, and several other city officials will be in attendance at the luncheon, as well as one or more of members of the San Francisco Chamber of Commerce.

The afternoon will be spent in showing the distinguished Orientals the many and varied industries of Rihmond.

CHATEAU MANAGER ADMITS ONE CHARGE, BUT DENIES OTHERS

Monday, May 17, Rev. P. E. Petersen, pastor of the First Methodist church, and Rev. S. Skinner, pastor of the First Baptist church, will present evidence to the Board of Supervisors, alleging that the Mascot Saloon at Stege Junction and the Grand Canyon Chateau are being conducted in violation of the law.

Manager Bush of the Chateau yesterday stated that he would not fight the charges. He admitted that at times he had violated the closing law. He said that he believed he had conducted his resort as a respectable place and declared that at no time since he had taken charge had he permitted young girls in the place, nor had he ever rented rooms for questionable purposes.

$375—WHY? WHY? CAN THE MAYOR EXPLAIN?

The Mayor may scream "highbinders" at the top of his voice; he may violate every rule of parliamentary proceedings; he may use his official position to shield Hartnett, but HE CAN'T EXPLAIN HIS SIGNATURE ON THAT BILL FOR ARCHITECTURAL WORK ON A BUILDING BELONGING TO WALL AND SITUATED ON WALL PROPERTY.

We have asked his honor to explain. He has kept silent.

Mayor Garrard is a member of the ring that is trying to shove Hartnett, Gerlach and Arnold into office.

We cite the architect's bill incident merely to show the methods used by the council ring that is now in power. ....

GARRARD PUT HIS O. K. ON A BILL FOR $375 for architectural work on a building that belonged to a private individual. SO DID FERNALD.

Some people call printing such things "mud slinging." What do you think about it? Would you prefer no expose and a continuance of the raids on the city treasury?

Pretty bold work, wasn't it? And Mayor Garrard DARED to sign that bill that was the "first installment" of no one knows how big an amount to be turned over to Wall, for the same reason that he dared to insult seven hundred citizens of Richmond.

That reason is the belief that the people of Richmond will NEVER WAKE UP!

The Mayor refuses to explain his signature on the bill. Not a word is said in either of the other two local papers, owned body and soul by the Ring.

WHY?

Is the bill to remain indefinitely in the city auditor's office?

Is Garrard ever going to explain? And if he doesn't, is he ever to be called to account for such gross misconduct in office?

TINGSTRUM LOSES FIRST POINT

Jesse Tingstrom, charged with contributing to the delinquency of Miss Sandella Gadberry, daughter of a school employe of Richmond, lost his preliminary battle before Judge Latimer Monday, when he entered a plea of not guilty and then heard the court overrule the demurrer of his attorney, C. S. Hannum, who charged that the complaint was defective.

Tingstrom is to appear in court next Monday when his trial date will be set. The dancing teacher is growing tired of his confinement and will no doubt ask for an early trial on next Monday.

RICHMOND WOMEN SUE FOR DIVORCE

Two divorce actions have been commenced in the Superior Court, one being started by the mother of six children, who alleges that her husband has been guilty of extreme cruelty. The woman is Mrs. Adah Schugart of Richmond and her husband is John Schugart.

The couple married on Sept. 26, 1900, and came to the coast soon afterwards.

The second couple was Gladys Ruth Schmalz, head of the telephone company at Richmond, who charged her husband, Charles L. Schmalz, with desertion. The couple married in San Jose on July 1, 1913, and have a daughter.

Supervisor Buchanan will leave in a few days on a visit to San Diego and other southern cities and will probably wind up with a tour of Arizona.

Local Man And Eastern Girl Wed Yesterday

Mary M. Davis of Franklin, Pa., became the bride of Walter D. Miller, well known Standard Oil employe, at a ceremony performed at 9 o'clock last night by Rev. Guy A. White in the latter's residence. The marriage follows an attachment formed during childhood by the happy couple.

Less than a week ago the bride, accompanied by her mother, Mrs. Mary A. Davis, arrived in Richmond for a visit. No plans for a marriage had been made, as evidenced by the fact that mother nad daughter had in their possession return railroad tickets to Franklin, Pa.

Miller renewed his suit on the arrival of Miss Davis in Richmond, and the result was that she promised to be his wife.

The mother of the bride and Horace Reed, a close friend of the groom, witnessed the marriage ceremony.

Following a short honeymoon, the couple will take up their permanent residence in the Kraemer apartments on the west side.

The marriage license was secured from County Clerk Wells yesterday afternoon by Miller.

ELKS' LADIES' NIGHT TOMORROW

Between ladies' night in the clubrooms tomorrow night and the big initiation at the session next Tuesday night there promises to be lots doing in the local Elks' lodge within the next week. The entertainment committee has completed all plans for tomorrow night. Scoores of women will enjoy the hospitality of the Bills, coming from every section of the county. Each Elk will bring his wife, sweetheart or sister.

At the regular session next Tuesday night Charles H. Walker, chief of police; William E. Lewis, Frank M. Solto and P. H. McNenanin will be taken in as members. During the evening District Deputy Conlon of San Francisco Lodge, who instituted the local lodge, will be a guest. Following the initiatory exercises there will be a big high jinks and jollification.

ONE FIRE—LOSS $5—IN CITY IN APRIL

Richmond has broken a record, judging from the report of Fire Chief Roy Lemoine for the month of April. During April there was only one fire, and the damage done in this blaze was less than $5.

Lemoine also reported that he had visited all the public schools of the city during the month and had given the pupils instructions in their fire drills. This was done at the request of School Superintendent Helms.

Jitney Bond Is $10,000

Due to a mistake made in the first copies of the jitney bus ordinance, allowed to get into circulation, many are under a misapprehension as to what amount of bonds the jitney men must put up under the city ordinance passed last Wednesday night. In some places it was stated in the original copies of ordinance given out that the bond is $5000. This was an error. The bond set by the council is $10,000. The ordinance goes into effect ten days after its final passage, or on Saturday, May 8.

Three thousand dollars has been spent on repairs and improvements on the ferryboat Ellen, which has been placed on the run between Richmond and Point San Quentin by the officials of the Richmond-San Rafael Transportation Company. Prior to the time the Ellen was purchased by the local company she was the property of the Mare Island Employes' Association. The boat is now in first-class condition, according to reports reaching here from Vallejo, where she was given a thorough overhauling.

The Ellen has received a new oil burning plant, new dynamos, a new smokestack, new sanitary arrangements, and has been repainted inside and out. Her boilers were rebbed several days prior to the time she was brought to Richmond.

The fight of the Mare Island workers for the right of purchasing and operating their own ferry system, instead of paying exhorbitant fares to a private owned company, is known all over the nation.

GRANT LICENSE TRANSFERAL

On the recommendation of the license committee, the request of Paul Beatty that the liquor license of Mrs. Augusta Wanske, who conducts a bar at Fifth and Barrett be transferred to him, was unanimously granted. The matter has been before the council for three weeks.

Arthur Joyce, former Santa Fe brakeman, left for Mexico City Monday night. He is to be superintendent of a mine.

"Mothers' Day" Is Beautifully Celebrated

Woodmen Hall, Seventh and Macdonald, was filled almost to overflowing yesterday afternoon, the occasion being the observance of "Mothers' Day" by the Women of Woodcraft. Two score gray haired mothers were in attendance during the afternoon, and nothing was left undone by the lodge, and the others in attendance, to properly honor them.

The breakdown of the Daily News typesetting machine prevented the printing of the program of the day yesterday. The omission could not be helped and is regretted.

MIKE AND IKE CONFETTI BALL

Mike and Ike are promoting a candidates' confetti ball, to be given at East Shore Park Saturday night. All the candidates will be in attendance. Mike and Ike are famous hosts, and those who attend the dance on Saturday night can be assured of the time of their lives. Plenty of confetti will be provided to all. Schwartz' orchestra will furnish the music.

BIG ROAD MEETING SET FOR JUNE 1ST

Probably the biggest good road meeting ever held and the one which will decide the question of permanent highways intersecting, will take place on Tuesday, June 1, the date set by the Board of Supervisors at its meeting, for hearing the side of the corporations.

The action was taken at the request of the Standard Oil, the C. A. Smith Lumber Co., the Selby Smelting Company, the California-Hawaiian Sugar Refining Co., the McNear interests, Hercules Powder Co. and practically every big taxpayer in Contra Costa county.

Each of these companies promises to have representatives at the meeting and all sections of the county will also be represented. The decision reached at this conference as to whether a bond issue or direct tax is the best method to pursue will end the discussion which has been going on for the past few weeks.

BOARD SPLIT OVER REQUEST OF VETERAN

MARTINEZ, May 4.—George W. Starkey, a discharged soldier, petitioned the city trustees for a free license to peddle about the streets of Martinez. He also desired to obtain the license so he could go about the county peddling.

The board thought that he should prove that he was disabled before such action should be taken. A vote on the matter resulted in two favoring the granting of the license and two opposing it.

EPWORTH LEAGUE TO MEET HERE

A large number of delegates will attend the district convention of the Epworth League, to be held in the Wesley Methodist church May 18.

An address will be made by Rev. Frank Linden and it is expected that Bishop Hughes will also speak.

SIXTEENTH ST. BIDS RECEIVED

Six firms bid on the job of improving Sixteenth street, from Ohio to Potrero, when the bids were called Monday night at the council session. Those bidding were Ransome Crummey Company, L. L. Page, E. H. Higgins, Municipal Improvement Company, Raven & Rose and G. W. Cushing. The bids were referred to City Engineer Chapman, with instructions to report on them at the next regular meeting.

G.A.R. LADIES AT HI SCHOOL

The G. A. R. ladies are invited to attend an entertainment in the Richmond high school tomorrow afternoon at 1:30. An excellent program will be given, both high school students and members of the Ladies of the G. A. R. taking part. The program will be announced in the morning.

May 8—Candidates' confetti ball of Mike and Ike at East Shore Park. Good time and good music.

Three Little Suctions

hold the Schafhirt Roofless Teeth as firm as a rock in the mouth. I have proved conclusively that the logical place for suction is on the soft ridge or gum and not on the roof of the mouth. My way leaves the roof of the mouth free as nature intended.

4030 Lyon Ave., Fruitvale, Cal.

The plate you made for me without a roof is as firm as a rock in my mouth and gives as good service as my natural teeth did. It is a pleasure to eat now, as I can chew anything.

When I first saw a picture of the teeth in one of your "ads" I could not see how three little suctions could hold a plate in my mouth so tight that I could eat and talk comfortably, but they certainly do and leave the whole roof of my mouth free. I am telling all my friends about this wonderful invention.

Yours gratefully, M. A. HARRIS.

HAPPENINGS IN THE SPORTING WORLD : :

FIGHTS POSTPONED FROM NEXT TUESDAY NIGHT UNTIL 21ST

In order to give every fan in the city an opportunity to see the next boxing card that Kirby Floyd will put on in his big fight pavilion on Eighth street, Floyd and Matchmaker Richmond decided after a consultation last night to postpone the next card from next Tuesday night until the night of Wednesday, May 21. This date comes right along in with the big pay days, and all the boys will have the necessary filthy lucre to gain their admission. It will also give the matchmaker more time in which to weed out the good talent from the bad.

It is probable there will be seven bouts on the next card. There will be plenty of local talent, and the fastest boys from Oakland will be brought out to compete.

It is probable that Earl Ritchie, the amateur heavyweight champion of the Pacific Coast, will go in against some fast heavyweight. Another boy that will probably be on the card is Joe Ryan of San Francisco, who has fought many fights in Pinole and Crockett, and who is well and favorably known to all the fans of the county.

Efforts are being made to match Young Butch and Brazil again. One fight that is practically assured is that between Officer Roy Kraemer and Officer Oliver Wylie, two heavyweights. Officer Depew challenges the winner of the mill. The police department is already split in factions over the fighting merits of Wylie and Kraemer. The two rivals have already started training.

Work on the building of the ring in the center of the pavilion will be started this week. It will be elevated higher from the floor than the old one, and will have three ropes instead of two.

Starting some time next week there will be a series of tryouts for all the local boys who are going to compete. Frank Mejia and Frank Smith, two old professionals, are the workhorses. The youngster wanting to get on will first have to show their class against Mejia or Smith.

AMBROSE CROWD COMING HERE ON SABBATH

Ambrose Tailers of Oakland will be the opponents of the Richmond Elks on the local lot next Sunday, according to an announcement made yesterday by Manager Luce.

The Tailors play in Richmond at least once every season. No matter how many other clubs beat them (and there are not very many), they have that faculty of playing the Richmond boys off their feet. The record books in the possession of Scorer O'Hara show that the Ambrose nine beat the Elks last season, with Starasnaich in the box. Full of that confidence, the Tailors will journey here Sunday determined to duplicate the trick.

The Tailors were beaten by Martines last Sunday in a game in which both aggregations uncorked a brand of ragged ball. Now that the Oaklanders have that one bad game out of their systems, those fans who are in attendance at the First street grounds Sunday can look for them to put up determined opposition to any designs the locals may have on the long end of the score.

It will be up to the Elks to beat the Tailors, no matter if Ambrose brings an entire Coast League club out with him. Never let it be said that the Elks can or would fall down against a crew that Martinez succeeded in beating.

"Mickey" Childs, Richmond boy, has not made up his mind what club he will affiliate with this season. Childs has had several good offers. It's a cinch he will grab the best one.

PETALUMA CAN'T PLAY RICHMOND SUNDAY

In an effort to get a game with Petaluma, Manager Bill Luce called up "Octogenarian" Healy yesterday and wanted to know what were the chances for a little diamond session between the Elks and the Leghorns Sunday. It developed that Luce spoke just a day too late. Healy Monday morning completed negotiations with Manager Bert Delmas of the Sebastopol nine to play that aggregation. Luce will try and get a game with Petaluma for a week from Sunday.

We would like to have Bill Luce call us up some night and tell us that he had definitely arranged a game or series with the Petaluma team. Petaluma is the big game we are all laying back for.

* * *

Martinez seems to have a hard hitting club this year. Whether the county seaters could do any hitting against either Burns or Gordon is a question. McNamara's boys have not been up against pitchers of the class of these two yet this season.

Knust's Campaign for shoe trade is always a success. Quality and low prices are sure winners. Shoe repairing guaranteed. tf-adv.

MARTINEZ LAYING FOR LITTLE ELKIES

(Martinez Standard.)

Look who's here. Our old friend, Bill Luce, who manages the Elkies, was heard from today and Bill asked us to name the date. But Josephus McNamara, the wily old boy who has been quietly coaxing his colts along until such a time, still showed the old fox in his system by stating, "Wait until it warms up a bit."

But listen, folks. We are going to get them, and the time is not very far distant when we will take on that bunch of horned youngsters and then watch and wait. It won't be an Artie Benham excuse, or it won't be a big league post mortem that they will offer.

Low down, let us advise that they bring along Coroner Abbott. In the meantime let us look forward to the greatest old battle of the year next Sunday.

Josephus secured the Great Western Power Company today. Yes, bo, they're the same team which put the "con" in Concord last Sunday by the tune of 5 to 2.

AL MEJIA NOW AFTER CHAMP

The following is self-explanatory:

Charles Bates, manager of Al Mejia, issues a challenge to Eddie Tait of San Francisco, amateur champion bantamweight of the Pacific Coast, for a four-round main event go at Kirby Floyd's pavilion on Eighth street in Richmond any time Tait accepts the challenge.

CHARLES BATES.

Martinez would not be a good mouthful for the Elks this year. Martinez papers please copy.

Don't forget yourself and call ball players "highbinders." Highbinders are taxpayers and voters. (Garrard version).

SPORTING GOULASH

Before Richmond and San Rafael tangle again, the San Rafael management will have come across with a share of the gate receipts from Sunday's game that Bill Luce should have received, but did not.

* * *

Billy Osborne, former Richmond boy, is still going good with the Oroville club in the Sacramento Valley Elimination League. Oroville is leading the league, and this is in no small measure due to Osborne's good work on the Olive infield. Mickey Shader of Petaluma is pitching for Oroville.

* * *

The Elks will be up against the acid test Sunday when they take on the Ambrose Tailers. The cloth cutters are a gang of regular ball players. They were to have played here a week ago Sunday, but rain intervened.

* * *

At that another game between Richmond and San Rafael would be a good baseball card for a good day.

* * *

Sporting writers on the big dailies simply cannot forget "Brick" Devereaux. Every now and then some of the boys crash in with a tale about the old "red dog."

* * *

All the fans are tickled to death since Sunday's game with San Rafael. They now have plenty of assurance that both of Luce's pitchers, Gordon and Burns, are in shape. The game that Gordon pitched Sunday is still the talk of the town. No wonder. The old boy got thirteen strikeouts and only allowed three safe drives.

Fortified Tires

Span the Way from Trouble

Goodyear tires have bridged the way for countless men to less trouble and tax. And those men, by their endorsement, brought our last year's output up to 1,479,883 tires.

Why do you suppose that Goodyears hold top place—you who use other tires? They have held that place for years, outselling any other.

The only reason, as you must know, is that Goodyears average best. And that's how they are bound to win you.

The Super-Tire

They are not trouble-proof. Mishaps come to them, misuse affects them, much like other tires.

But Goodyears are Fortified Tires. They protect you in five ways employed by no other maker. They combat five major troubles in unique ways, exclusive to Fortified Tires.

These five extra features cost us fortunes. One alone—our "On-Air" cure—costs us $450,000 yearly. But they save Goodyear users millions of dollars yearly. They avoid countless troubles for them.

Lower Prices

On February 1st we made another big reduction. That makes three in two years, totaling 45 per cent. We are giving you, through mammoth production, the best tire value ever known.

Please prove this, for your own sake, by the tire itself. The following Goodyear Service Stations will supply you:
